WATER TREATMENT TRAINING

The training course lasts for a full day (usually 09.00 – 17.00) and covers the full BISHTA syllabus

Types of Spas and Hot Tubs
Why we need to treat Water
What can grow – and how to kill it
Management of Spa Pools: Controlling the Risks of Infection
Choice of disinfectant: Bromine, Chlorine or phmb
How to use Chemicals
Water Balance: Theory and Practical Calculation
How to follow the Law: Legionnaires Disease (L8) Code of Practice
Risk Assessment in accordance with BS 5850: 2010
Practical Water Testing and Record Keeping
Test Questions for Certification
Health & Safety
Chemical Awareness Training

The course is designed for a maximum of 12 people:

The cost per head for a BISHTA Member is £125.00 and Non BISHTA Members is £165.00

We maintain an email a list of people who have expressed interest in attending a course nationwide.

Invoices are issued with the names of the attendees.

Water Training Certificates and a CD (which contains the Powerpoint presentation given during the day, to be used as a revision aid) are sent upon receipt of payment.

There is a minimum charge of £850 for the day, if I select the date, otherwise £750 + mileage, if the Client chooses the date. However we will always try to promote the date to find other people to attend in order to minimize the chances of incurring the minimum charge.

There is a cancellation charge of £250.00 if a company cancels the course within 2 weeks of the planned date.

All prices are exclusive of VAT (November 2011 rate is currently 20%)
